## LOOK FOR NEW FEATURE, GOOD NEWS IN THIS ISSUE

To the Brothers of Gamma-Psi Zeta:

Welcome to our second 1999 issue of *The Gamma-Psider Press*! We are continuing our commitment of two newsletters a year and hope you find this issue even more interesting than the last. In addition to the usual alumni news, you will find a new section on Page 2 called "Remember When." We are printing news items from past issues of *The Gamma-Psider Press* to help us relive the days of yesteryear. If you have any old issues you would like to donate to our library, please forward them to me at 633 Main St., Bethlehem, PA 18018.

Also in this issue is a ballot at the bottom of the news and dues form. As stated in our past issue, we have increased the size of the Trustee Board and are still looking for additional volunteers to assist in Chapter oversight.

I and all the members of the Trustee Board wish to thank all of you who have responded so generously to our 1999 dues campaign. A listing of all contributors will be published in our next issue. If you haven't contributed, there is still time to send it in.

The Chapter continues to get stronger. In addition to an active presence on campus, they have initiated one of the largest classes this spring and have maintained a strong academic record.

We look forward to seeing you at our upcoming events, including our reception this fall after the Lehigh/Lafayette game!

In ZAX,  
*Walter C. Keiper*

## REMEMBER WHEN ... SPRING HOUSE PARTY 1964

(Reprinted from the May 1964 issue of *The Gamma-Psider Press*)

April 24 through April 26 marked Spring House Party at Lehigh. As usual, this semi-annual event was eagerly awaited. This semester's theme was hillbilly oriented, "Mount'n Dew." As a deviation from the Friday dance, there was both a concert and a dance. Nearly everyone attended the concert, which featured The Four Lads, the Big Three, and the Four Seasons. After the concert we came back to the chapter house for a hayride and bar party. Saturday morning ushered in the customary hangovers and picnic which was held this year at the Trexelertown Grange. This was preceded by an open party featuring Johnny and the Vikings from Philadelphia. Sunday climaxed the weekend with a formal roast beef dinner. The weather man was kind to us and according to John Popek, High Epsilon, and nearly everyone present, the weekend was an immense success.

### 1999 CONTRIBUTION UPDATE

A big THANK YOU to all alumni who have generously responded to the 1999 dues request in our last issue. We have received numerous contributions and information on what is new in your life. This issue contains a lot of that information, and we will publish the 1999 Honor Roll of Contributors in our next issue of the *The Gamma-Psider Press*. If you have not sent in your dues for this year's drive and are still interested in contributing, please use the enclosed news and dues form. Thank you!

Richard Verma '90 addressed the Lehigh Honors Convocation on Sunday, April 25, at Packer Memorial Church, which recognized students who have achieved a 3.5 grade point average and students who have received department awards and prizes.

Verma earned a bachelor's degree at Lehigh in industrial engineering with a minor in international relations. Attending school on an ROTC scholarship, he was commissioned as a second lieutenant in June 1990. He went to American University for his law degree in 1993, and received a master's degree in international and comparative law from Georgetown University's Law Center in 1998.

Verma has served in the Air Force's Judge Advocate General (JAG) Corps, advising the Stealth Fighter Wing at Holloman Air Force Base in New Mexico and an intelligence unit supporting the mission of the National Security Agency in Fort Meade, Md. While in the service, he served in democracy-building programs in Poland, Argentina and Romania.

He is now an associate in the international trade group of the Washington, D.C., law firm of Steptoe and Johnson, LLP. He was recently nominated to the Lehigh board of trustees as a Young Alumni Trustee.

## GAMMA-PSI ZETA FLOURISHES

By Keith L. Janosky '00, High Alpha

**G**amma-Psi Zeta has been busy this spring with in-house, campus and community activities.

### HOUSE IMPROVEMENTS

There are currently a couple of house projects in the works. The Chapter Room is in the process of being completely redone. The project started last year by removing the worn out carpet tiles and refinishing the hardwood floor. With the help of an interior decorator, Kathleen Campbell, mother of Damon Campbell '01, the Chapter Room will have a new look next fall. Over Easter break we had the walls and ceiling professionally painted, and by next fall the new furniture will be in.

The house continues to update the computer/library room and currently has three working computers, a laser printer and a newly leased photocopier. We also moved the files in the study room upstairs to the old mail room, leaving more room for desks, and eliminated many of the outdated files.

### PHILANTHROPY/ COMMUNITY SERVICE

Gamma-Psi continues to be involved with the Lehigh and Bethlehem communities. We are currently devoting our time to the Bethlehem Boys and Girls Club. Every Tuesday, three or four brothers visit the club in the afternoon to help younger kids with their homework, play games and act as much-needed role models. The brothers really enjoy this activity because we get to know many of the kids by

name by the end of the semester and really have a fun time interacting with them.

### CAMPUS LEADERSHIP AND INVOLVEMENT

Ross Hurwitz '01 is currently vice president of the IFC and just received the award for Junior IFC Man of the Year in 1998 for his work as Junior IFC president. Damon Campbell '01 is also involved with the IFC as head of the University Relations Committee. John Trenkle '02 was elected Junior IFC president this spring. This continues our streak of Junior IFC presidents, IFC executive board members, and Junior IFC award recipients for five consecutive years. Seth Niederman '01 is currently active as a member on the IFC judicial board. Other brothers are involved in basketball, lacrosse, track, rugby and various honor societies.

### RESIDENTIAL ENVIRONMENT REVIEW

The largest issue facing Lehigh's Greek system is the hard-pressing Residential Environment Review process. However, we are currently striving through hard work and dedication to succeed. The fall semester score was an 87 of 100, which far exceeds the required 70 to pass. Our main concern is occupancy, which requires an 85 percent rate to receive credit. Our current rate is only 75 percent, but with the help of our live-in adviser, we are able to receive the credit.

### MEMBERSHIP AND ACADEMICS

With this year's associate member class of 16, we will be

at an 86 percent occupancy level next year.

We continue to be successful in our studies. Last semester our chapter GPA was 2.84, which is sixth on the hill. This accomplishment has gained us recognition with the university as well as with National headquarters.

### SOCIAL ENVIRONMENT

The next big change at Lehigh will be yet another rendition of the social policy. The new policies are available for viewing via the Lehigh home page at [www.lehigh.edu](http://www.lehigh.edu). The new policies seem to be just another way for the university to squeeze the fraternity system and continue to make survival and success harder each year. However, Gamma-Psi is ready for the challenge and is dedicated to continued success.

### VISIT FROM HEADQUARTERS

The ELC visited us March 28 through 31, and left us with one of our best visits. He helped set guidelines in our pursuit of a better crisis management program.

### BROTHERS' FUTURES

Many of this year's graduating brothers have high hopes and great plans for the future. We are joining the "real world" by starting our careers at such distinguished companies as Ernst & Young, Arthur Andersen, PricewaterhouseCoopers, SEI Investments, Merrill Lynch, Unisys and others.

As you can see, we are facing challenges head-on and accomplishing our goals. We hope you will stop by the house whenever you are in the area to see for yourself the great strides we are making.

# SPRING GOLF OUTING A SUCCESS!

Tournament director and High Pi Mike Moffatt '94 (second from left) reviewed tee times with (left to right) Ted Dahne '73, Max Bleiler '84 and Ross Brinley '84.

A chill was in the April morning air but the sky was clear and the sun strong. It seemed as if it was the first clear day in a month; the tees and greens were still a little soggy from the last three days of rain. For some of us, it was the first or second time out this season, and teeing off at the first hole was pitiful, at best. Other "pro" alumni who had already played 10 rounds this season tried to impress the crowd and let it rip off the tee. Other foursomes enjoyed a few laughs while drinking coffee, practicing their putts, and taking practice swings as they waited to tee off.

Under the guidance of tournament director Mike Moffatt '94, who also serves as High Pi when he isn't golfing, more than 40 alumni came out to enjoy the Annual Spring Golf Classic on April 24 at Locust Valley Golf Club in Coopersburg, Pa. The beautiful spring day was filled with the renewal of old friendships, prizes,

Kevin Luer '87, Eric Wertz '90, Rick Fuller '89 and Karl Pupke '87 (left to right) gathered prior to teeing off on the first hole.

food and fun, in addition to a great day of golf. High Rho Aaron Mierzwa '00 and Board member Anthony Franchina '95 assisted in the catering of the awards lunch.

With a score of -2, the winning foursome was Dave Weiss '92, Coray Mitchell '93, Tom Pursel '92 and Pat Kegan '92. Larry Finnegan '83 won closest to the pin, Bill Hogenauer '93 had the longest drive, and Kevin Sullivan '98 had the straightest drive.

The outing was followed by a barbecue provided at the chapter house where many undergraduate and alumni brothers enjoyed the day's festivities. Watch your regular mail and e-mail for information about future golf outings. Hope to see you there!

The class of 1996 was well-represented by, from left, Mike Tedesco, Ryan O'Shaughnessy, Chapin Flynn and Tom Figueroa.

Max Bleiler '84, Ted Dahne '73, Jim Pinciotti '73 and Ross Brinley '84 were thinking about "winning it all" at the first tee.

Enjoying the sun, Larry Finnegan '83, Walt Keiper '85, Joe Kobulsky '84 and Jim Finnegan '85 waited at the first tee.

The winning foursome: Dave Weiss '92, Tom Pursel '92, Pat Keegan '92 and Coray Mitchell '93.

Chris Rappucci '95, Corbett Dabbs '95 and Lew Iadarola '96 patiently wait for Mike Moffatt '94 (right) at the fifth tee as he checks on lunch.

Ed Butz '76, Jim Williams '77 and Bill Brichta '76, members of the Board of Trustees, made an appearance.
