## Alumni Board & Chapter News

### Physical Plant

Summer for many of us means repairs around the house. This is no less true for the Lambda Chi Alpha house on campus. We are replacing 62 windows in the house, at a cost of \$49,000. To accomplish this project, we borrowed \$25,000 from the University. This loan is amortized into our annual rental rate from Lehigh. Please remember, when you contribute to Lehigh, you can earmark dollars for the Lambda Chi Alpha PLA account for deferred maintenance projects.

### Fall Board Meeting ~ October 19

The fall Alumni Board meeting of the BGPZ House Corporation Board is scheduled for October 19, 2002 at 9:00 a.m. at the chapter house. Any alumni interested in serving as board members or in coordinating alumni social activities (golf outings, tailgate parties and the like) should contact either Walt Keiper (610-332-1336 or wkeiper@fest.org) or Tony Franchina (973-236-2467 or afranchina@att.com). Our thanks to those who plan to get involved!

### Gamma Psi 2<sup>nd</sup> in GPA Ranking

Our chapter had a Spring GPA of 3.052, which placed us second out of 25 fraternities on campus. Lambda Chi Alpha beat the All Fraternity, All Men, All Greek, All Undergraduate and All Women GPAs! Congratulations! We are proud to note that our chapter has been in the top five GPA category for the last three years.

### Campus Leadership and Involvement

This spring, many brothers continued their involvement in various campus organizations, such as student senate, executive tour guides for Lehigh, gryphons for M&M and Dravo house,

## Annual Fund Donations Crucial to Continued Communications and Gamma-Psi Experiences

By Walt Keiper '85  
Alumni President

As summer comes to an end, our undergraduate brothers are returning to campus for another year of personal and academic pursuits. I'm sure you can recall the energy and excitement as brothers reconnected, sharing stories of the summer and looking forward to the year ahead.

Gamma-Psi of Lambda Chi Alpha continues to provide the opportunities for leadership, friendship and a lifelong bond which you experienced during your time at Lehigh. Financial support of the Brothers of Gamma-Psi Zeta, Inc. annual fund makes these opportunities possible through scholarships, resources and a house that allows our brothers to continue the Lambda Chi spirit.

Please consider making a contribution of \$50 or more to the 2002 annual fund. It is crucial that all brothers financially support the brotherhood. Gamma-Psi alumni have been generous in the past, and **we are counting on your participation!**

Please take a moment to make your gift to the annual fund and to update your brothers on what's new with you. A postage-paid envelope and reply form are enclosed.

P.S. Would you be who and where you are today without the affiliation of Lambda Chi Alpha?

continued from front

tutoring, assisting students with network problems through Lehigh's WIRED group, treasurer of JIFC, Greek Week Committee, lacrosse, rugby, soccer and University Productions.

### Gamma Psi Cost of Living Still a Good Deal

Our AM class this year consisted of nine new members. With the addition of this new class, there will be 28 brothers living in the house for 2002-2003, which brings the occupancy level down to 82 percent from the spring's 97 percent level. This level is still above the minimum and our cost of living is still below the average Lehigh room and board rate.

### Alumni Event Input Needed

The chapter is looking for suggestions for an alumni event that would attract more alumni than the typical Lehigh-Lafayette weekend. What kind of activities would get you to come back to Gamma Psi? Send your recommendations to High Rho Peter Castellino at pfc4@lehigh.edu.
